Sandra Smith

Inspirational Speaker

Sandra Lott Smith doesn't just talk about transformation—she's lived it. After surviving a broken marriage filled with addiction and abuse, enduring the unimaginable loss of her teenage son, and walking through years of emotional hardship, Sandra reached a turning point that changed everything. What could have destroyed her instead became the very foundation of her purpose.

Today, Sandra is a powerhouse Christian author of over 45 books, a speaker, and co-founder of Your New Life Ministries—helping people around the world break free from pain, rediscover their identity, and encounter the life-changing love of Jesus Christ.

Her message is bold, raw, and real:

Your past does not define you.
Your pain has a purpose.
Your story isn't over—God is just getting started.

With a heart especially for women who feel broken, overlooked, or stuck, Sandra empowers others to rise, heal, and embrace the truth of who they are in Christ—royalty, chosen, and destined for more.
If you're ready to move from surviving to thriving, from wounded to whole, Sandra's message will ignite your faith, awaken your purpose, and remind you that no matter what you've been through—God still has a beautiful plan for your life.
